Manual Test

Test case:
See all Bots button

Navigate to http://localhost:3000
Click See all Bots button
Bots are displayed on the page

Test Post Conditions
•user should be able to click all buttons
• all Bots should be displayed on the page

Bug Report:

Description:
Wins integer does not increment

1. Navigate to http://localhost:3000
2. **Click Draw button**
3. **Select two Bots**
4. **Click Duel button**
5. **Bots battle, then a winner is decided**

Expected result
•If the user wins the duel the win INT will increment, if not loss INT will increment.

Actual results
•no matter the outcome of the duel the loss INT will always be incremented

Environment
•chrome Version 107.0.3

•macOS Monterey version 12.6

Test case:
Rest of the Bots are not displayed

1. Navigate to http://localhost:3000
2. **Click Draw button**
3. **Select two Bots**

Test Post Conditions
•user should be able to choose from all bots available
